AMERICAN AEROSPACE COMPONENTS

Your Trusted Partner for Aerospace Parts

Reliable Partners

A Leading Provider

At American Aerospace Components (AAC), we understand the critical role that precision-engineered parts play in the aerospace industry. We are committed to ensuring the highest standards of quality, reliability, and safety in every part we produce or source. Our dedicated team works closely with our clients to provide customized solutions that meet their unique needs. We pride ourselves on delivering on time and within budget.

With our deep expertise and extensive network, we specialize in delivering high-quality aerospace parts that meet the stringent requirements of our valued clients.

A Lasting Family Legacy

Decades of Experience

Founded in 1965, AAC has continued to grow strong relationships with the industry's best partners. This enables us to offer a comprehensive range of aerospace parts, included but not limited to engine parts, hardware, structural components, and more. We have capabilities to handle small-scale and larger projects, ensuring optimal performance and efficiency for our clients.

Our commitment to excellence is demonstrated by our stringent standards as well as our AS9100 and ISO9001 Certifications. We stay up to date with industry advancements, regulatory compliance, and rigorous quality control processes with constant communication with industry leaders and travel to various trade shows throughout the year.

AN, MS, NAS and More

Products Offered

AAC offers a deep selection, *including but not limited to*: **Bearings, Bearing Sleeves, Bolts, Bushings, Clevises, Fasteners, Gaskets, Guards, Hooks, Lugs, Nuts, O-Rings, Packings, Rivets, Seals, Sleeves, and Spacers**

Why AAC

What Make Us Special

01

Trusted Quality for Demanding Applications

We're an AS9100-certified company and an approved supplier to leading Commercial Aerospace and Defense OEMs. This rigorous certification and industry approval guarantee the exceptional quality and reliability of our components.

02

Fast Track Your Project

Our extensive network of suppliers allows us to source materials and produce even hard-to-find parts quickly. This translates to shorter lead times for you, getting your project up and running faster than the competition.

03

Flexibility at its Finest

We thrive on exceeding expectations, and that means being adaptable to your unique project needs. Whether it's a last-minute order or a complex challenge, we bring creative solutions to the table, ensuring a successful outcome every time.

PLEASE CONTACT US WITH ANY QUESTIONS OR COMMENTS. LET US HELP YOU WITH THAT HARD-TO-FIND PRODUCT.
